

NOTRE DAME DE LOURDES CATHOLIC CHURCH, PRICE, UTAH

6TH SUNDAY IN O.T. 2024 : WORLD DAY OF SICK

Homily for the Sixth Sunday in OT (Cycle B)

Leviticus 13:1-2, 44-46 Psalm 32:1-2, 5, 11
1 Corinthians 10:31-11:1 Mark 1:40-45

AN EPIDEMIC OF LEPROSY

*"A leper approached Him with a request." –
Mark 1:40*

Our society and churches are filled with lepers. These people don't have physical leprosy, which is Hanson's disease, but the spiritual leprosy of self-hatred. They continually "cry out 'Unclean, Unclean!' " (Lv 13:45) They do things to turn people away from them. They even tell God to stay away from them. They wallow in depression and degrade themselves through self-destructive compulsions such as overeating, alcoholism, drug abuse, gambling, addiction to TV and handheld electronic devices, sexual promiscuity, pornography, masturbation, gossip, etc.

Only one Person can cure spiritual leprosy – Jesus. In our leprous condition, we must kneel down and make an act of faith in Jesus, saying: "If You will to do so, You can cure" us (Mk 1:40). He will have mercy on us, stretch out His hand, touch us, and say: "I do will it. Be cured" (Mk 1:41). Then God's grace can begin to free us from years of self-hatred and self-destruction. We will no longer be degraded by the tyranny of doing what feels good. We will be truly free and fully alive.

Then we should testify to our healing to whomever the Lord leads us. These people may also be lepers. They may have been discouraged by the lepers in their family and church. By sharing our healing, we will open them to Jesus. They will no longer tell Jesus to stay away from them, but will let Him touch them.

Prayer: Father, may I repent of self-hatred and let Jesus touch me in the Sacrament of Reconciliation.

Promise: "Whether you eat or drink – whatever you do – you should do all for the glory of God." – 1 Cor 10:31

Praise: To You, risen Lord Jesus, be highest glory and praise for ever. Alleluia!

STEWARDSHIP MESSAGE: February 11th, 2024

6th Sunday in Ordinary Time : Stewardship Priorities
"Brothers and sisters, whether you eat or drink, or whatever you do, do everything for the glory of God." - 1 CORINTHIANS 10:31

Do a quick check of your Stewardship priorities. Where does God rank in that list? If He's not first, you have some work to do. Putting God first in everything helps us from putting other "gods" (like our pride, ego, money and possessions) before God. Before making a decision, ask yourself, "If I'm doing this for the glory of God or for the glory of me?"

World Day of the Sick is an annual observance that recognizes and raises awareness about the importance of providing care and support to individuals who are ill, particularly those facing chronic or severe health challenges.

What is World Day of the Sick?

World Day of the Sick, established by Pope John Paul II in 1992, is a day dedicated to promoting acts of kindness and solidarity towards those who are suffering due to illness. It serves as a reminder of the importance of providing physical, emotional, and spiritual support to individuals facing health challenges, especially those who are vulnerable and marginalized.

When Does World Day of the Sick Occur?: World Day of the Sick is observed on February 11th each year. This date holds special significance as it coincides with the Feast of Our Lady of Lourdes, a day associated with healing and devotion to the Virgin Mary.

Significance and Objectives: The primary objectives of World Day of the Sick include:

Promoting Compassion: The day emphasizes the importance of showing compassion and empathy towards individuals who are sick, recognizing their dignity, and providing them with the care and support they need.

Recognizing Caregivers: World Day of the Sick acknowledges the valuable contributions of healthcare professionals, caregivers, and volunteers who work tirelessly to alleviate suffering and provide comfort to patients.

Highlighting Healthcare Challenges: It provides an opportunity to raise awareness about healthcare challenges, disparities in access to care, and the need for improved healthcare services globally.

Encouraging Prayer and Reflection: For many, this day is an occasion for prayer, reflection, and spiritual renewal. It invites people to contemplate the meaning of suffering and illness in the context of their faith.

Conclusion: World Day of the Sick serves as a reminder of the human capacity for compassion and care, especially in the face of suffering and illness. It calls upon individuals, communities, and institutions to extend a helping hand and offer solace to those in need. Whether through acts of service, prayer, or reflection, this day invites us to recognize the inherent dignity of every person and the importance of solidarity in the journey towards healing and well-being.
